

Dear Creator God,

Please hold close the campers and youth of camp spirit and surround each person with your amazing love.

May all campers, youth, and staff know you in times of creativity,

**through sharing of story,
in the expression of music and
in times of movement.**

I pray that each camper, youth and staff know and celebrate you in all your diversity and know their own beloved'ness.

May the children and families of camp spirit be supported and nurtured so that they live lives of faith, hope, and compassion in our world.

In the Holy Name of Jesus Christ.

Amen
