

**i hav luv and mi hos dos too**  
By Linnea Good

I have love and my house does too  
I have love and my house does too  
There is love under my bed  
There is love over my head  
I have love and my house does too

I have love and my house does too  
I have love and my house does too  
There is love under my bed  
There is love over my head  
I have love and my house does too

I have love and my house does too  
I have love and my house does too  
There is love under my bed  
There is love over my head  
I have love and my house does too
